

Seeking Highly Qualified Principals

The Wake County Public School System (WCPSS) intends to serve as the national standard for increasing student achievement in the 21st Century. To that end, WCPSS is seeking the very best in school leadership to guide our staff and students in fulfilling our collective vision.

Qualified applicants for the position of Principal are invited to participate in a Principal Interview Day, Saturday, May 19, 2012 at the Administration Building, 5625 Dillard Drive, Cary, NC 27518.

Because we currently have an interview process for internal principal candidates, this event is focused on candidates not currently employed by WCPSS. Candidates should hold, or be eligible to hold, a North Carolina Principal's license. Also, experience as a Principal is preferred.

Candidates at this event can expect to interview with selected Senior Leadership Team members responsible for filling key administrative positions in our dynamic, top-ranked, and well-paying school system.

Interested prospects should submit a cover letter and résumé to Dr. Stephen Gainey, Assistant Superintendent for Human Resources at interviewday@wcpss.net no later than **May 4, 2012**.

Candidates selected for an interview will be contacted no later than Monday, May 8, 2012, and assigned an interview time between 8:00 a.m.—4:00 p.m., on Saturday, May 19, 2012.

*Internal candidates should apply for principal positions according to the usual procedures in WCPSS.
