

Aug. 8, 2013

Department: The Learning Curve

Back to School. Back to NAGC Webinars.

NAGC is pleased to present the [2013 Fall Semester of Webinars on Wednesday](#) that launch on Wednesday, August 21. The session will air live with audience interaction encouraged. Following the event, those registered will also be available to view slides and listen to audio via the [NAGC Live Learning Center](#). NAGC members may register for the full series of six webinars for just \$150 (or \$39 per webinar). A site license is also available to deliver top-notch professional development to your school or district. [Register here](#).
