

## **Candidate statements for NARFE national and regional elections due April 1**

Election of NARFE's national officers and five regional vice presidents will be held at the upcoming NARFE National Convention, August 24-28, in Orlando, FL.

Candidates may submit their qualifications and/or platforms for *narfe* magazine publication. Candidate statements will be published in the June issue *only*. This will allow NARFE members to view all candidates for office at once.

The statements must be limited to 400 words and may be emailed to [communications@narfe.org](mailto:communications@narfe.org) as a Microsoft Word attachment. No copy corrections will be made, including spelling, so statements should be carefully proofread before submission. Candidates should submit a head-and-shoulders photograph for publication with their statement. Photos should be emailed in JPG format to [communications@narfe.org](mailto:communications@narfe.org). Deadline for statements and photos is April 1.

Candidates also are entitled to send statements to the membership via NARFE's global email messaging system (GEMS). Statements must be limited to 400 words, and two may be sent between February 1 and July 31. Send statements as Microsoft Word attachments to [IT@narfe.org](mailto:IT@narfe.org).
