**YOU ARE CORDIALLY INVITED TO A  
BREAKFAST SEMINAR**

**Implementing the Affordable Care Act and Its Effect on the  
Staffing Industry**

Signature Bank and TEKCare ([www.tekcare.com](http://www.tekcare.com)) are proud to present Mr. Gordon Frederick, EVP of TEKCare to address the issues we all face on The Affordable Care Act, with specific emphasis on its effect to staffing firms. The event is free, but seating is limited and available on a “first come, first served” basis. Breakfast will be served.

Full implementation of the Affordable Care Act is less than 7 months away. The most important aspect of the new system for employers is “employer shared responsibility”. Under these requirements, “large employers” must offer minimum essential coverage to their full-time employees and dependents or pay a penalty. This presentation will review what companies need to do between now and January 1<sup>st</sup>, 2014 to stay in compliance and minimize your cost.
