VICE CHAIR OF RESEARCH

The newly established Department of Emergency Medicine at Weill Cornell Medicine, led by Dr. Rahul Sharma, is seeking a highly motivated Vice Chair of Research at the Associate Professor or Professor level, preferably tenure track, to join the leadership team. The Vice Chair of Research position represents a major leadership appointment in the Department. The individual will report directly to the Department Chair and will provide leadership and oversight of the research mission for the Department. The Vice Chair must be visionary, demonstrate expertise in leading research in EM, and possess the ability to work across disciplines within a large, diverse organization.

The Department has a highly-dedicated faculty, including junior, mid-career, and senior members with a diverse mix of clinical, research and educational interests. The Vice Chair of Research will be expected to develop and lead research education and mentorship for faculty and residents. Successful candidates will have a demonstrated track record of independently funded research, publication in high-impact, peer-reviewed journals, strong mentorship skills and clear evidence of promoting the academic careers of junior faculty.

We offer a highly competitive salary, a generous support package to ensure the candidates transition and continued success, a comprehensive benefits package, and a generous retirement plan.

The Emergency Department at New York Presbyterian-Weill Cornell Medical Center serves as one of the major campuses of the fully accredited four-year New York Presbyterian Emergency Medicine Residency Program. Our Emergency Department is a high volume, high acuity regional trauma, burn and stroke center caring for more than 95,000 adult and pediatric patients. Faculty also have the opportunity to work at our New York Presbyterian-Lower Manhattan Hospital ED campus, which is a busy community hospital seeing 45,000 annual visits.

We offer programs in Telemedicine, Medical Toxicology, Geriatric Emergency Medicine, Wilderness Medicine, Global Emergency Medicine, Simulation and Ultrasound. In addition, we offer fellowships in Geriatric Emergency Medicine, Healthcare Leadership and Management, Pediatric Emergency Medicine as well as PA and NP residencies in Emergency Medicine.
