ONLY A DREAM IN RIO
Vacations are expensive, but with one of Colonial Candle’s new “destination” candles, customers can get a taste of an exotic trip for a fraction of the cost. This collection captures the spirit and energy of Rio de Janeiro with tropical flowers and fruity scents: “Carnival” offers a bouquet of rose, lilac and musk. “Guava & Papaya” has an invigorating scent of guava nectar. “Caipirinha” delivers a delicious blend of sugar cane rum and honey. “Hibiscus & Java” denotes jasmine, orange blossom and espresso beans.
