

## **Deadline to Submit Abstracts for the European PLACE Conference is 15 October**

Professionals from industry, universities and research institutes are cordially invited to present at the [13th TAPPI European PLACE Conference](#), which will be held 30 May to 1 June 2011 at the Festspiel- und Kongresshaus in Bregenz, Austria.

The conference program will have a special emphasis on the latest trends, technologies relating to extrusion, coating, or lamination of web based materials. Abstracts should focus on the following:

- \* Developments in web materials, polymers and adhesives - their behavior and processing
- \* What's new in converting technology – extrusion, lamination and process control
- \* Final product design – a society commitment considering sustainability
- \* Characterization – inspection, methods and standards for materials

Authors interested in presenting a paper on these or related topics should submit their abstract to TAPPI [electronically](#). Submissions must be received on or before 15 October 2010. View the [Invitation](#).
