Cleveland Bay Horse Society of North America Pony Club Recognition Program

Our goal is to recognize Pony Club members who participate in Pony Club riding a Cleveland Bay or a Cleveland Bay part bred/sport horse. The Cleveland Bay Horse Society of North America is pleased to announce a recognition program for USPC members who participate in Pony Club on a pure or part-bred Cleveland Bay. The Cleveland Bay, an endangered breed, has long been recognized as having the heart, stamina and movement to make a winning sport horse. In addition, the Cleveland Bay is easily trainable and has a wonderful disposition that makes it the perfect mount for children. Because of the prepotency of the breed, when crossed with any other breed, the part-bred can be counted on to portray the intelligence and kind disposition that the Cleveland Bay is noted for. Eligibility: 1) Applicant must be a current member of The United States Pony Club. 2) The horse must be at least 1/8th Cleveland Bay, and be CBHS/CBHSA registered. 3) The horse need not be owned by the member, but member must have written permission from owner to participate in the program. 4) Complete application form with all required documentation and a photo. [Click here](#) for application. Applications accepted at any time during the year. Processing applications may be delayed during holiday and end of show season. For more information, to obtain an application, or for help getting your Cleveland Bay registered contact: Gabrielle Gordon, 76 Corral Drive North, Keller, Texas 76244 or 817-431-8775.
